Technical Skill

Things to observe: _____

Notes: _____

Technical 8: 4 vs 2 Passing. (15min)

1. 4 v 2 in 20m x 20m grid.

2. group of 4 keeps possession and scores 1 point for completed pass and 3 points for pass completed between defenders.

Rotate defenders every 3 minutes.

Emphasize movement, passing into space, angles of support (triangles in particular) and communication.

Keep track of points for possession teams.
